

Most people are not aware that Maternity Home Residences exist in our modern world. They need to know about you! You are an invaluable and compelling source in helping young women and families in crisis pregnancies. The need for more maternity homes is critical in order to save more lives and help those in need of loving, residential homes.

Your maternity residence is a valuable source of information to other Owners, Directors

### **How is your Residence benefitted?**

1. A Directory and Database Link will be provided to you that will include pertinent information for referrals.
2. Your needs will be met by knowing where other residences are located nationally and to network with their successes
3. There are start-up Maternity Residences that need your professional expertise, guidance and leadership initiatives that spell success!
4. The Association will hold conferences and bring professional Life Consultants to your area, asking the hard questions and consulting with you and your staff and other resident owners, directors and organizations so you may share the successes on such issues and topics as:

**Healthcare – Prenatal & Aftercare**  
**Legal Issues**  
**Adoption Options in the 21<sup>st</sup> Century**  
**Education**  
**Branding Your Business**  
**Single Parenting**  
**Career Development**  
**Counseling Teen Moms**  
**Family Involvement in Crisis**  
**Service Provider Management**  
**Corporate Sponsorship**  
**Finding the Finances**  
**Building A Successful Board**

**TNAMH (The National Association of Maternity Homes)** dedicated to young women, men and families faced with unplanned pregnancies. We believe a win win solution is *No Mother or Child Left Behind*. **Become a Member today as we help one another succeed.**

**Application to become a Member and Referral Service Information on  
Residence, Database and Link**
